Sir:

U.S. Patent Application No. 10/527,949 (“the ‘949 application”) is a co-pending application that is commonly owned to the assignee of the above-identified patent application. The ‘949 application is the U.S. national phase of PCT Application No. PCT/FR2003/002753, both of which are being cited on the attached Form PTO/SB/08A. These co-pending applications, as well as their file histories and contents (including prior art cited therein), may be material to the patentability of the above-identified patent application.

The Examiner’s attention is directed to the references which are listed on the attached Form PTO/SB/08A. Please charge Deposit Account No. 13-3080 in the amount of \$180.00 for

the fee under 37 CFR § 1.17(p). Please charge or credit Deposit Account No. 13-3080 with any shortage or overpayment of the fees associated with this communication.

Citation of these references is respectfully requested.

No concession is made that these documents are prior art, and Applicant expressly reserves the right to antedate the documents as may be appropriate.

Respectfully submitted,

Gregory J. Hartwig
